

Olayinka's Fundraising Event

Olayinka's Fundraising Event 16 year old Olayinka was forced to flee Nigeria with her mother and two brothers after she refused to undergo painful and dangerous **Female Genital Mutilation**.

Members of her own family have repeatedly tried to force the procedure on her, even hospitalizing her in the process.

After death threats were issued against her mother, they tried to escape to another part of Nigeria, but were tracked down. Fearing for their safety they sought refuge in the UK.

Make a stand against this inhumane practice and help keep Olayinka safe.

Please come along and show your support.

Your help will be appreciated.
